Do you believe this practicum student has the knowledge, skills, and attitude required to become an effective student teacher? *	Yes
If you answered NO to the question above, please list the knowledge, skills, or attitudes this student must	

improve to become an effective teacher.	
General Comments:	Paige is a very organized physical education instructor. She plans her lessons well and anticipates possible classroom management challenges. In order to be more effective, Paige needs to develop a rapport with the students that is encouraging and motivating. I believe this will happen naturally as she gains more experience.
